SAWO sauna rooms are designed by Finnish know-how that resembles their culture and tradition. Only the finest of the soft woods, Cedar and Spruce are used for SAWO sauna rooms.

Cedar wood are with exceptional beauty and a natural warm color, complemented with uniform fine-grained texture with a satin luster.

Spruce wood are light yellow appearance with few markings and even, uniform grain texture. They are very durable and perfect for extreme heat.

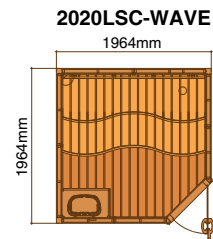

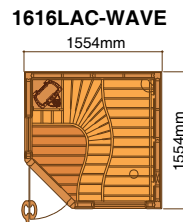

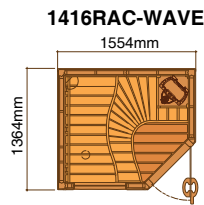

SAWO sauna rooms are available in Wave, Piano and Classic style design benches. Each sauna room carries a trademark of high craftsmanship.
